Dear Ms. Seay,

The receipts and disbursements were not originally disclosed due to problems stemming from the purchase of a new computer system. A new computer system was purchased that required the transfer of a data set from one server to a new server. After a self-initiated audit, it was determined not all the data was properly transferred. All issues with the data transfer have been corrected and new internal controls have been instituted to prevent this from occurring in the future. In addition, South Carolina Republican Party staff attended the FEC Regional Conference held on February 12-13, 2008 to remain current on federal campaign finance law and regulations. During the period in question (November 1 November 31, 2007), the South Carolina Republican Party did not make any expenditures on behalf of a clearly identified federal candidate for Federal office and did not promote, support, attack, or oppose any candidate for Federal office.

Sincerely,

Doug Robertson, Treasurer
South Carolina Republican Party
